Vorsprung durch Technik

Three words that express the very essence of Audi. Vorsprung durch Technik isn't a slogan. It's our way of seeing the world. It is the driving force behind our history of innovation that continues into the 21st century. Indeed, many technologies that Audi pioneered remain in our cars today. Some are milestones in the history of the motorcar.

From our beginnings in 1899, to the Auto Union team's Grand Prix successes in the 1930s and our more recent wins at Le Mans, we have always been at the forefront of the motor industry.

Vorsprung durch Technik makes us who we are. To see more of its influence, just read on.

Introducing the RS 5

The RS story has unfolded over the last fifteen years, delivering a series of elegant yet supremely powerful models – and the RS 5 is no exception. As a direct descendant of our most exciting high-performance models, it's the culmination of the technical expertise we've gained on roads and racetracks all over the world. Our long history of motorsport success is evident throughout the RS 5. Some of the world's toughest races have taught us how to propel our cars ever more powerfully, responsively and efficiently. The RS 5's engine epitomises this knowledge. A close relative of the V10 in the Audi R8, the 4.2 V8 FSI® engine develops 450 horsepower and transmits a maximum of 430 Nm of torque. However, you'll see as you read on, there's much more to the RS 5 than thrilling power and handling – but we think you'll agree that these qualities make an excellent place to start.

RS 5
D IN RS 5005

Technology

quattro®
with Sports differential

Making its debut in the Audi RS 5 is the very latest generation of quattro® permanent all-wheel-drive – the exclusive road-holding technology that's helped Audi dominate the racetrack ever since 1980. Two decades and many evolutions later, it's 2.5kg lighter, more compact and now features the brand new crown-gear centre differential – an addition which achieves high locking values for even greater traction. A torque vectoring function also distributes different amounts of driving force to each wheel as necessary. The result: firm traction, precision handling and high lateral stability – no matter what the road conditions.

Images are for illustrative purposes only

Dynamic Ride Control

Dynamic Ride Control enhances the suspension and stabilises the car using a system of linked, single-tube shock-absorbers and central valves. It's designed to compensate for any excessive body roll and to give you control over your driving experience. Depending on the road surface, traffic density and quite simply, your mood, you can switch between three programmes at the touch of a button.

High-performance braking system

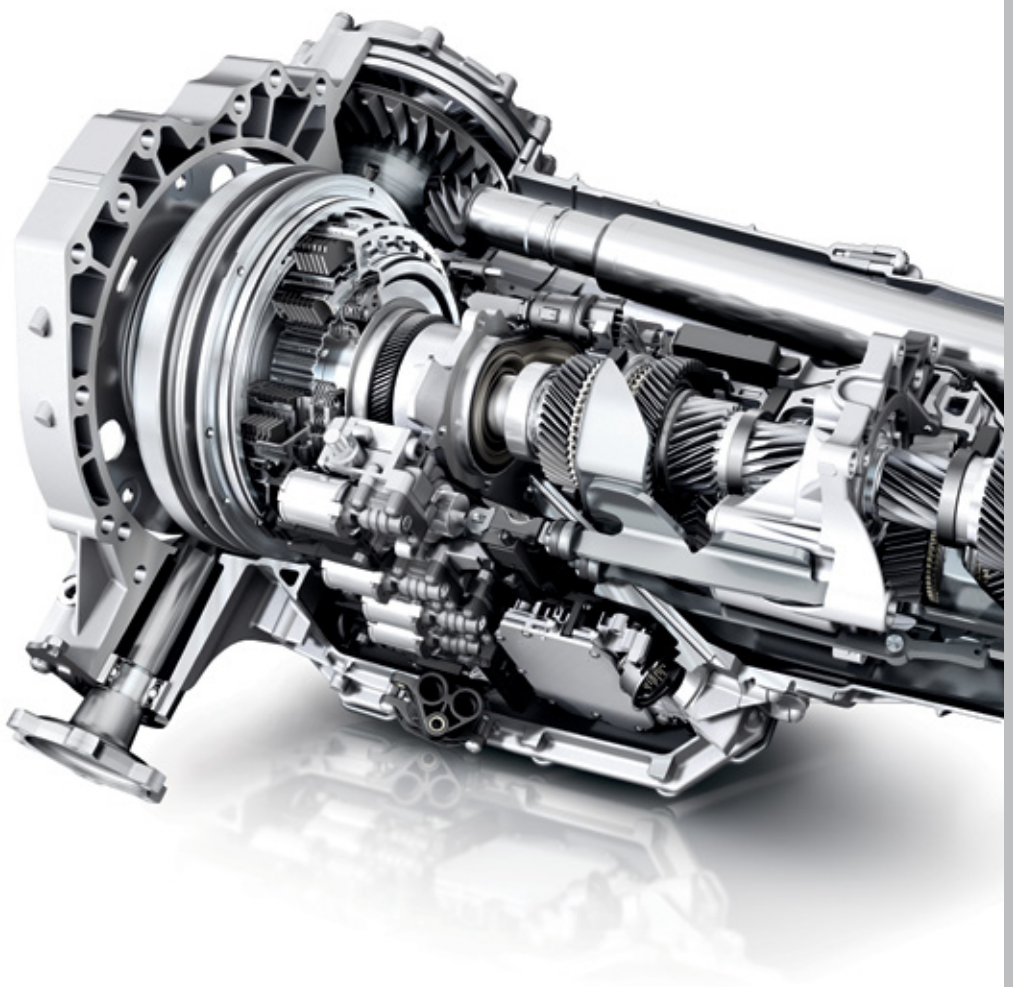
A car as powerful as the RS 5 needs an equally powerful system to slow it down. The high-performance braking system has black, high-gloss 8-piston fixed callipers in the front wheels and single-piston sliding callipers in the rear. The brake discs are internally ventilated, and perforated for enhanced performance. And for even more impressive braking power, there's the option of 19-inch ceramic brakes.

Engine

Petrol

A 4.2-litre V8 FSI® engine is one innovation that sets the RS 5 apart – and keeps it there. That's thanks to our Le Mans-winning fuel-injection technology, which provides enhancements to fuel efficiency, power and torque. But this unit is capable of more than just delivering raw power; it's also adept at using it. Launch control combines both braking and acceleration to give you the quickest possible start, taking the RS 5 from 0 to 62mph in just 4.6 seconds. And once you accelerate, the engine provides consistent power build-up and superb responsiveness across the entire rev range. So when you need to ask for that bit more power, whatever the situation, you can be confident it will deliver.

Image for illustrative purposes only.



Transmission

S tronic®

Driving is all about thinking ahead, which is just what the S tronic® dual-clutch transmission does. It works almost as two separate systems, one engaging the odd-numbered and the other the even-numbered gears. So when you're accelerating in second, it has third gear waiting for you. And once you make the switch, it's already thinking about fourth. With two clutches working together, you can change gears almost instantly while experiencing smooth, uninterrupted power.

Standard model equipment

All RS 5 models have the following items of standard equipment

The equipment for the Audi RS 5 builds upon the standard equipment for the Audi S5. The typical characteristics of the Audi RS models emphasise the exclusive, dynamic and sporty character of the Audi RS 5. It is unmistakable.

Wheels, tyres and suspension

19” x 9.5J ‘5-spoke Aero’ design alloy wheels with 265/35 R19 tyres and locking wheel bolts

Audi drive select

Dynamic Ride Control (DRC) Sports suspension system with 3 level controls

RS high performance braking system

quattro® with sports differential

Tyre Mobility System

Servotronic speed-related power assisted steering

Safety and security

Audi parking system plus with front and rear sensors

Automatic headlight operation with coming home/leaving home function

Automatic windscreen wipers

Electromechanical parking brake

Electronic Stability Programme (ESP)

First aid kit

Front airbags

Front and rear ISOFIX child seat preparation with front passenger airbag deactivation switch

Front side airbags

Rear fog lights

Sideguard curtain airbags

Thatcham category 1 alarm

Toolkit and car jack

Tyre pressure monitoring system

Warning triangle

Seats

Electric lumbar support for front seats

RS Super Sports seats, electrically adjustable

Silk Nappa leather with contrasting piping and RS embossing

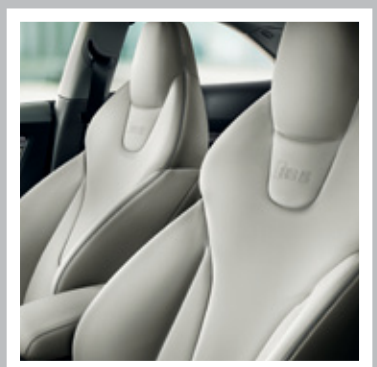
Audio and communication

Audi Concert audio system. Single CD with MP3 compatibility, colour centre console screen, SD memory-card reader and AUX-IN socket in centre console

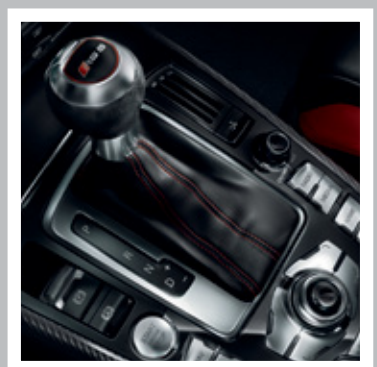
Audi Sound System speaker package, with 10 speakers including subwoofer (180 Watts)

RS multi-function steering wheel

19” x 9.5J ‘5-spoke Aero’ design alloy wheels



RS Super Sports seats



Carbon inlays and MMI controls

Interior equipment

Carbon inlays

Colour Driver's Information System (DIS)

Deluxe 3-zone climate control with separate air distribution and digital display for the driver and front passenger. System includes air-conditioning controls in the rear centre console for passenger compartment

Front centre armrest including 12V power socket

Interior light package

RS instrument panel

RS multi-function steering wheel with aluminium-look gearshift paddles

Through-load facility with ski/ snowboard bag

Exterior equipment

Adaptive light including Xenon headlights, LED daytime running lights, LED rear lights, headlight washer system and automatic range adjust

Auto-opening boot lid

Exterior mirrors – electrically operated and heated

Matt-finished aluminium-look door mirror housings, window trims and grille

RS body styling

Speed-activated rear spoiler

Two oval exhaust pipes

Rear spoiler

Oval exhaust with optional matt aluminium styling package

Unique honeycomb effect grille with RS 5 logo

LED rear lights

RS 5 Coupé

Engines	Power	Transmissions	CO_2 g/km	Basic RRP	Total RRP inc VAT	Recommended OTR
4.2 FSI quattro®	450PS	7-speed S tronic	252	£47,741.67	£57,290.00	£58,725.00

Please note: The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to brake horsepower, divide the PS figure by 1.0139.

Recommended On-The-Road (OTR) retail prices include: delivery charge, half a tank of fuel, number plates at £590.00 (inc. VAT), Road Fund Licence (which may vary depending on model/transmission see page 40 for details) and first registration fee at £55.00 . Vehicle Excise Duty correct at time of going to print, but this may alter to reflect any change in the applicable VED rate.

RRP – Recommended Retail Price. VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

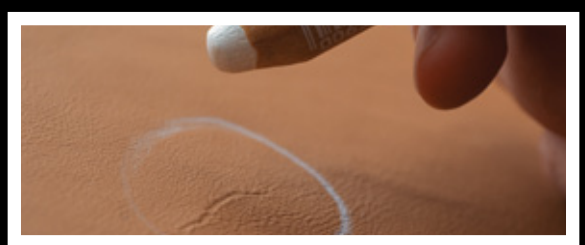
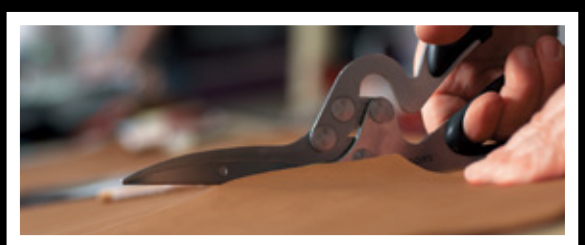
Audi exclusive

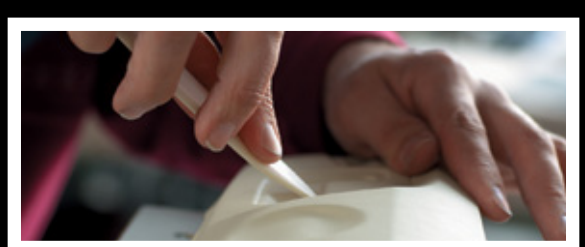
Audi exclusive

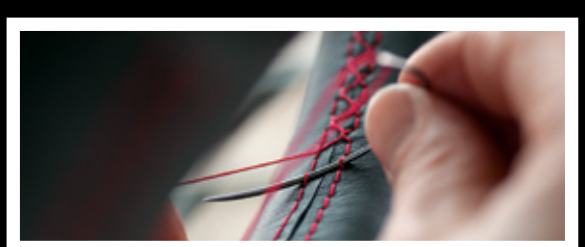
Every Audi is intrinsically exclusive.
It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that special touch you can specify your new RS 5 with options from Audi exclusive. Whether you want a unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi exclusive will enable you to drive the car you've always imagined.

Both the exclusive and standard options can be found on the following pages.









Paint

You can select the standard Ibis white shown opposite or, for a different look, choose from the range of optional finishes.

Options are subject to availability and may extend delivery.

All the colour swatches on this page are matched as accurately as possible to the actual paint colours used. However, due to print processes, Audi UK cannot guarantee that colours shown are 100% accurate.

Visit your local Audi Centre for a more accurate colour swatch.

RRP – Recommended Retail Price.

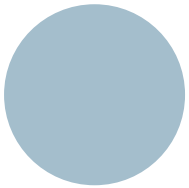
VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

Standard colour

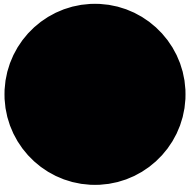
Ibis white – **T9**

Optional colours

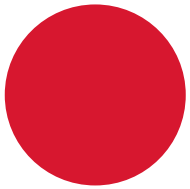
Suzuka grey, metallic – **M1**



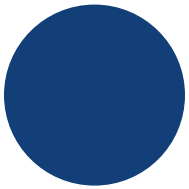
Monza silver, metallic – **U7**



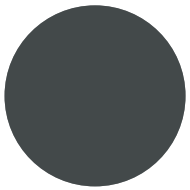
Panther black, crystal effect – **H8**



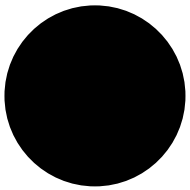
Misano red, pearl effect – **N9**



Sepang blue, pearl effect – **E9**



Daytona grey, pearl effect – **6Y**



Phantom black, pearl effect – **L8**

Upholstery

Audi exclusive

With Audi exclusive, you can specify your seats in Valcona leather or Valcona leather/Alcantara, in an array of different colours shown to the right.

Select just one all-over shade for each seat, or customise each panel in two or more complementary colours from the distinctive Audi exclusive palette. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, we think you'll be extremely comfortable with the result.

Order Code		RS 5	Basic RRP	Total RRP inc VAT
PYC S3G	**Audi exclusive leather package 1 in Valcona leather/Alcantara.** Includes leather-covered seat side trims, head restraints, front centre armrest and Alcantara door trim inserts and seat centre sections. [1]The given value was obtained in accordance with the specified measurement procedure (the respective current version of Directive 80/1269/EEC).

[2]The given values were calculated in accordance with the specified measurement procedure (the respective current version of Directive 80/1268/EEC). This information does not relate to a single vehicle and does not comprise part of the offer but is merely intended for the purpose of comparison between the different vehicle types.

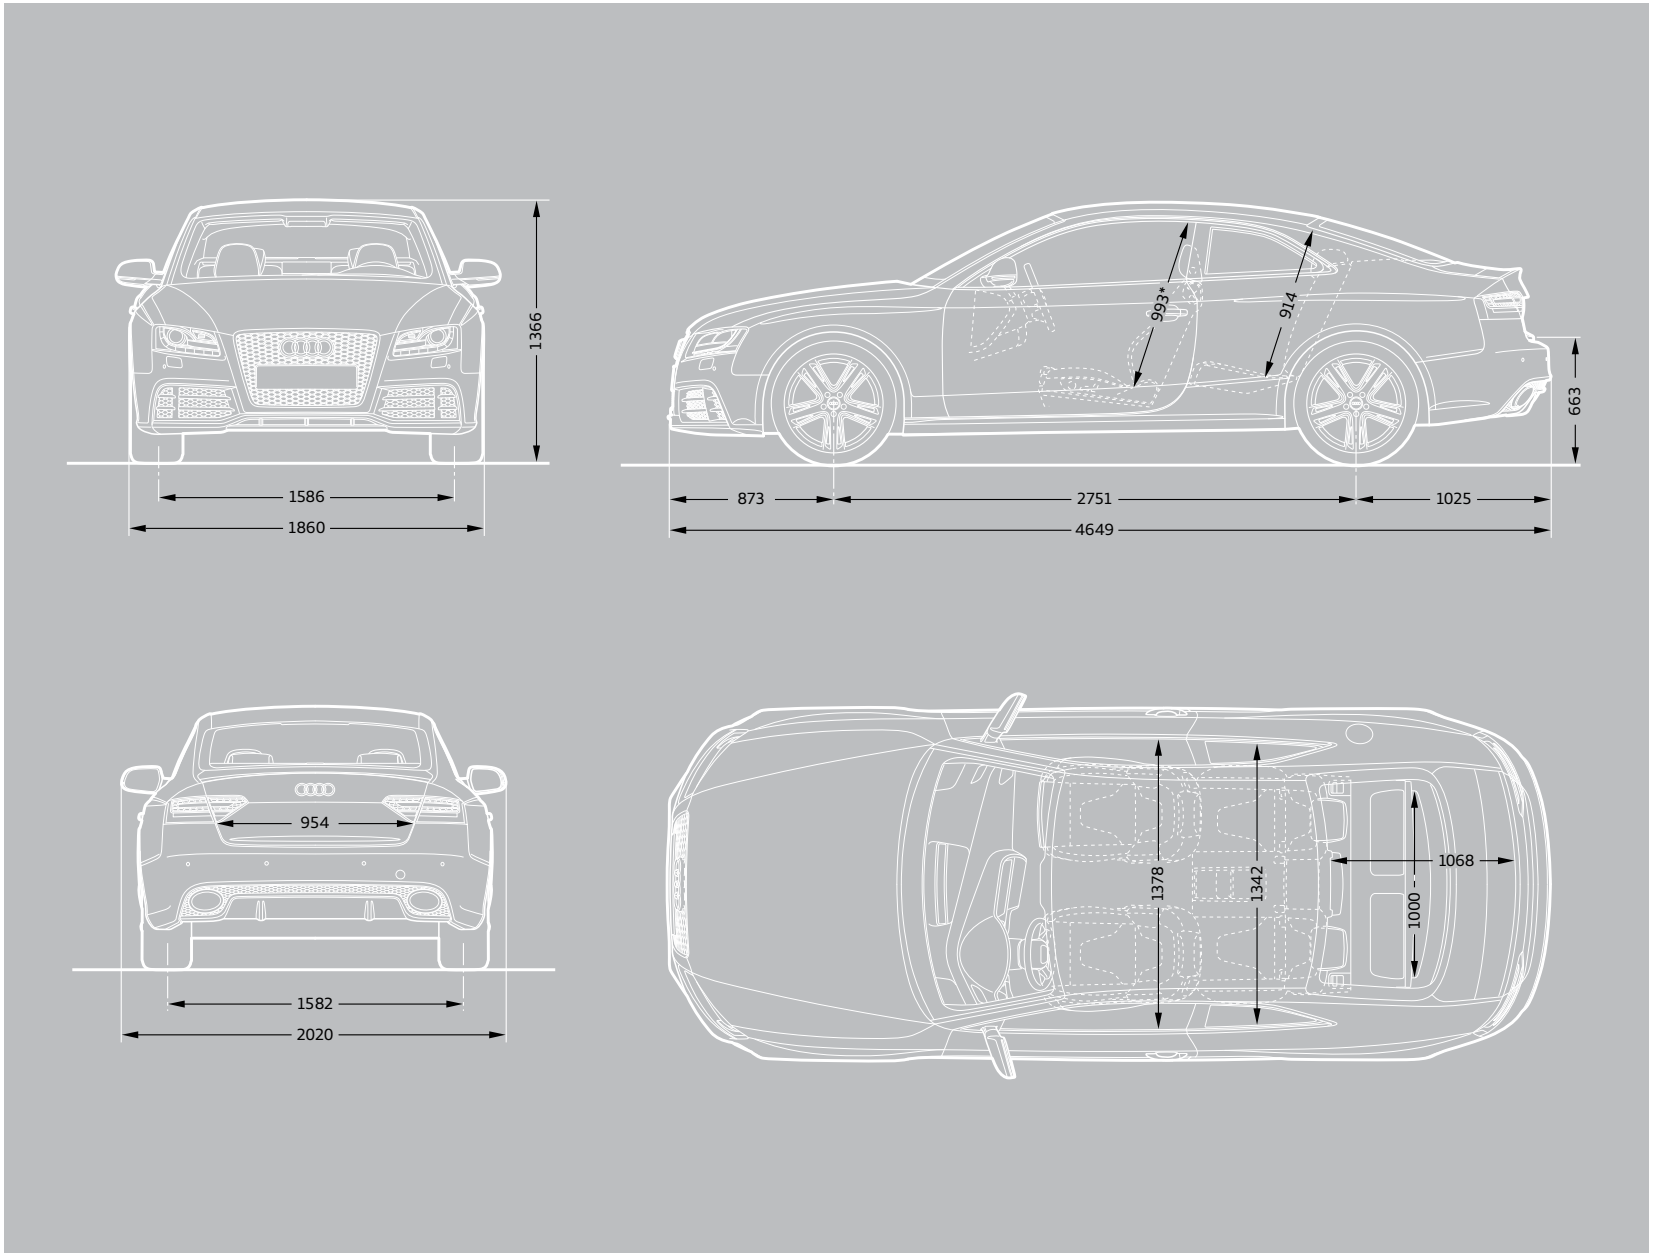
[3]Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 92/21/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

[4]Vehicle not suitable for towing equipment.

[5]Second value; loaded up to roof with rear seat folded down.

RS 5 dimensions

The technical drawings opposite show the exact dimensions of the RS 5 Saloon, so you can check everything – from whether the car will fit in your garage to whether your luggage will fit in the boot.



Dimensions in millimetres

*Maximum headroom

Dimensions were measured with vehicle at unladen weight, ground clearance measured with vehicle carrying its maximum load.

Luggage compartment volume in litres: 455/829 (measured by the VDA standard test method using 200 x 100 x 50mm blocks; second value: with rear seat folded down). Turning circle approx. 11.6m.

Additional information

CO_2 data and information

CO_2 emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO_2) a vehicle emits, measured in grams per kilometre (g/km). First year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

Petrol and Diesel engines	First year	Annual rate (second year onwards)
A – up to 100g/km	£0.00	£0.00
B – 101 to 110g/km	£0.00	£20.00
C – 111 to 120g/km	£0.00	£30.00
D – 121 to 130g/km	£0.00	£95.00
E – 131 to 140g/km	£115.00	£115.00
F – 141 to 150g/km	£130.00	£130.00
G – 151 to 165g/km	£165.00	£165.00
H – 166 to 175g/km	£265.00	£190.00
I – 176 to 185g/km	£315.00	£210.00
J – 186 to 200g/km	£445.00	£245.00
K – 201 to 225g/km	£580.00	£260.00
L – 226 to 255g/km	£790.00	£445.00
M – over 255g/km	£1,000.00	£460.00

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate

Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

There are two schedules available and your Audi Centre will advise which schedule is most suited to your needs. The conventional fixed Audi Inspection Service schedule has fixed intervals for the Oil-change and Inspection Service that are based on time and distance, whichever comes first.

With the Audi LongLife Service schedule, sensors take account of driving style and conditions in which the vehicle is used to indicate when the Oil-change Service is required. Oil-change Service intervals are therefore variable and are conveniently indicated via the on-board service interval display.

Fixed Inspection Service Schedule

	Vehicle usage:
Mileage	Less than 10,000 miles per annum
Type of journey	Mainly city/town centre driving. Short journeys
Conditions	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing
Driving style	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, 'sporty' driving
	Service Intervals:
Oil-change Service	Fixed to every 9,000* miles/1 year
Inspection Service	Fixed to every 19,000* miles/2 years

Variable LongLife Service Schedule

	Vehicle usage:
Mileage	More than 10,000 miles per annum
Type of journey	Motorway and main road driving. Mainly longer distance journeys. Constant speeds
Conditions	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading
Driving style	Moderate acceleration, moderate braking, engine revs mainly below 3,000
	Service Intervals:
Oil-change Service	Variable to a maximum of every 19,000* miles/2 years
Inspection Service	Fixed to every 19,000* miles/2 years

*As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Additional information

Welcome to Audi

By placing an order for your Audi, you're choosing to get behind the wheel of one of the most sophisticated cars on the road. And because we believe the service we offer should be just as advanced, we wanted to let you know exactly what you can expect from us, now and in the future.

We've agreed a set of standards with all our Centres, which governs the way we do business with you. It outlines the kind of service we promise to deliver for every customer, right down to filling each new Audi we sell with half a tank of fuel.

So whether you're interested in the date your car will arrive in the UK or the way we'll dispose of non-biodegradable materials after we service your Audi, you can have total confidence in us.

Audi Promise

Audi Centres

We guarantee that all of our Centres will be open as follows:

Sales:	Monday to Friday 9am–6pm
	Saturday 9am–5pm
Service:	Monday to Friday 8am–6pm
	Saturday 8.30am–1pm

Sunday opening is at local discretion.

New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or place of work. In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

The experts in Vorsprung durch Technik

Would you entrust your Audi to anyone who hasn't been regularly trained to Audi standards? Our network of Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10-year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All of our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle. What's more, we have so much expertise and experience in looking after Audi vehicles that we are able to make a note of your mileage and the state of your vehicle as and when we see it and predict when certain key events may occur. As part of our commitment to you, we will notify you in plenty of time so you can make an appointment with us.

Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even collect and deliver to you.* We guarantee we can service your Audi within 5 days without a courtesy car, or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

Audi Genuine Parts

Would you put a part into your Audi that wasn't the same quality as the factory fitted original? You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2-year guarantee.** We stock a wide variety of parts, so we are well covered. However, if we don't have a part in stock at our Centre we have the back-up of parts at other Audi Centres, at our national warehouse and our factory and can usually source the relevant part very quickly.

We don't like surprises either

We believe strongly in transparency and there will be no hidden costs. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

The Audi Stamp

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value of your car. Only the Audi Stamp will prove your approved Audi service history.

Getting better every time

We continually gather feedback from our Audi Trained Technicians, as well as our customers, to ensure our vehicles are running as they should. Whenever we see an Audi for a service, we connect it directly to our headquarters in Ingolstadt which enables us to check your car's software and make sure it's as up-to-date as possible. If the factory has released a software upgrade for your model, it can be applied immediately – improving anything from your car's efficiency to the precision of its parking system.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

*Subject to availability.

**Excludes wear and tear.

Pricing information

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 20% but this may alter to reflect any change in the applicable VAT rate.

Delivery charges and number plates are not included in the vehicle price.

Delivery charge	£471.66
